

Amounts for 2010

Commonwealth Grant Scheme funding cluster amounts

The following table shows the Commonwealth Grant Scheme (CGS) funding cluster (Commonwealth contribution) amounts for 2010.

From 2010, the funds currently delivered through the Improving the Practical Component of Teacher Education program will be included in the Commonwealth Grant Scheme. The additional funding will be used to increase the Commonwealth contribution paid for education units of study from 2010. The funds currently delivered through the Workplace Reform Program will also be included in the Commonwealth Grant Scheme resulting in increases across all funding clusters. These changes are subject to legislative approval.

Notes:

a. Mathematics, Statistics and Science

- 1 The national priority maximum annual student contribution amount applies to students who commenced their course of study on or after 1 January 2009, regardless of the course of study. The national priority maximum also applies to continuing students who transfer to a course of study in the Natural and Physical Sciences from one that is not.
- 2 Mathematics, statistics and science units of study are those units of study in the natural and physical sciences Field of Education that are classified in Chapter 9 of the Commonwealth Grant Scheme (CGS) Guidelines as being in the Funding Clusters applying to 'Mathematics and Statistics' and/or 'Science' (currently clusters 3 or 6, although cluster numbering may alter in updated Guidelines following legislative amendment).
- 3 A natural and physical sciences course of study means a course of study in the field of natural and physical sciences, classified as Broad Field 01 the publication Australian Standard Classification of Education (ASCED) 2001¹

¹ *Australian Standard Classification of Education (ASCED) 2001* (Catalogue. no. 1272.0), Australian Bureau of Statistics, Commonwealth of Australia, (2001) Canberra.

b. Education and Nursing (subject to the passage of legislation).

1. From 1 January 2010, the maximum annual student contribution amount for commencing Commonwealth supported students undertaking education and nursing units of study will be increased from the 'national priority' rate to the band 1 rate.
2. The increased maximum annual student contribution amounts affect only students who commence their course of study at a higher education provider on or after 1 January 2010.
3. Existing students will continue under existing arrangements (pre-2010 students).

Pre-2010 students:

4. Grandfathering arrangements exist for Commonwealth supported students who commenced a course of study prior to 1 January 2010 and had not completed that course prior to that date. A person is a pre-2010 student for a unit of study if the person started the course of study of which the unit forms a part before 1 January 2010 and was a Commonwealth supported student in relation to a unit of study in that course and:
 - the person had not completed the course by 31 December 2009; or
 - in 2009 the person was undertaking an enabling course; or
 - the person has completed the related course for an honours course and is undertaking the honours course of study.

FEE-HELP limit

The FEE-HELP limit is the maximum amount that a person can borrow under FEE-HELP over their lifetime. This limit excludes any loan fee. The FEE-HELP limit in 2010 is **\$106,328** for medicine, dentistry and veterinary science students (as defined in the *Higher Education Support Act 2003*) and **\$85,062** for all other students.

Maximum OS-HELP amount

The maximum OS-HELP amount is the maximum amount that a student can borrow under OS-HELP for a given period of six months. The maximum OS-HELP amount in 2010 is **\$5,523**.
