WHEREAS:

- B. This funding agreement is made under subsection 30-25(1) of HESA in respect of the 2014 grant year.
- C. Entering this agreement is a requirement under subparagraph 30-1(1)(a)(ii) of HESA for a Commonwealth Grant to be payable to the Provider under Part 2-2 of HESA.
- D. Subject to subsections 30-25(2A) and 30-25(2B) of HESA, this funding agreement specifies conditions to which the Commonwealth Grant is subject that are additional to the conditions that apply to the Commonwealth Grant under Division 36 of HESA.
- E. Under section 36-65 of HESA, the Provider must comply with this funding agreement.

NOW IT IS AGREED as follows:

Previous Agreement

1. The parties agree that the funding agreement made by them on 3 December 2013 for the Commonwealth to provide funding to the provider under the Commonwealth Grant Scheme in respect of the grant years 2014, 2015 and 2016 shall terminate on the date on which this Funding Agreement is made.

PART A: Introduction

Commonwealth Grant Scheme funding amount and payment arrangements

2. The Commonwealth will pay to the University the Commonwealth Grant Scheme (CGS) funding amount for the 2014 grant year for the University, calculated in accordance with division 33 of HESA.
3. The Commonwealth will notify the University before the start of each grant year covered by this Agreement about the CGS advances in respect of amounts expected to be payable for:
 - 3.1. designated courses of study; and
 - 3.2. non-designated courses of study.
4. The Commonwealth will notify the University before the start of each grant year covered by this Agreement about the CGS amounts payable for:
 - 4.1. regional loading;
 - 4.2. enabling loading; and
 - 4.3. medical student loading.
5. Amounts payable as CGS advances may be adjusted throughout the grant year based on information provided to the Commonwealth by the University.
6. CGS advances made in respect of each grant year covered by this Agreement will be reconciled with CGS funding payable to the University for each grant year. This reconciliation will occur in the year following the grant year when actual student enrolment data for that grant year is finalised.

Non-designated courses of study and the Government's attainment target

7. The University acknowledges that a key objective of the Commonwealth in providing funding for non-designated courses of study is to achieve the attainment target of 40 per cent of the Australian population aged 25 to 34 years old having a bachelor level qualification or above by 2025.

Estimates of Commonwealth supported places

8. The University must provide accurate and timely estimates of Commonwealth supported places (EFTSL) for the current year and future years, as required by the Commonwealth.

PART B: Total CGS funding

9. The parties acknowledge the introduction by the University of a new curriculum structure, 'New Courses 2012', which commenced in 2012.
10. The University is to ensure that the implementation of New Courses 2012 does not reduce the supply of graduates in the major professions.
11. The University's growth in its annual undergraduate intake is not to exceed Western Australia's projected demographic growth.

PART C: Designated courses of study

Maximum basic grant amount for designated courses of study

12. The maximum basic grant amount for designated courses of study is calculated in accordance with subparagraph 30-27(1)(a)(i) of HESA, and subject to the passage of the *Higher Education Support Amendment (Savings & Other Measures) Bill 2013*.
 - 12.1. If the *Higher Education Support Amendment (Savings & Other Measures) Bill 2013* is passed by the Parliament without amendment and the legislation has effect for the 2014 grant year, the maximum basic grant amount for 2014 is \$35,473,062.
 - 12.2. If the *Higher Education Support Amendment (Savings & Other Measures) Bill 2013* is not passed by the Parliament, the maximum basic grant amount for 2014 is \$36,196,928.

Allocation of Commonwealth supported places for designated courses of study

13. The total number of Commonwealth supported places for designated courses of study allocated to the University under subsection 30-10(1)(a) for each Funding Cluster for each grant year covered by this agreement is shown below in Table 1.
14. Any places allocated at the postgraduate level are for non-research Courses of Study and exclude any course which is subject to Ministerial determination under paragraph 36-15(2)(b) of HESA.
15. If the University is unable to deliver the places detailed in Table 1 it must notify the Commonwealth as soon as practical and not later than at the next update of estimates of Commonwealth supported places required by the Commonwealth under clause 8.
16. The University is not to transfer any allocation of Commonwealth supported places for designated courses of study between undergraduate and postgraduate courses.
17. The University will receive enabling loading for each grant year covered by this Agreement for the number of Commonwealth supported places in enabling courses allocated to the University under subsection 30-10(1)(a) of HESA as shown below in Table 2.

The University must allocate from its total allocation of Commonwealth supported places for courses of study in medicine a specified number of places to be MRBS Scheme places for the calendar year. The Department of Health will notify the University of the specified number of Commonwealth supported places for courses of study in medicine to be allocated to MRBS Scheme places. The MRBS scheme places are separate from the BMP Scheme places and do not count towards the BMP Scheme 25 per cent requirement.
 - 21.3. The bonded places provided under the BMP and MRBS Schemes must be used for BMP and MRBS students only. Non-bonded and fee paying places must not be used for bonded students.
