3. The Commonwealth will notify the University before the start of the grant year covered by this Agreement about the CGS amounts payable for:
 - 3.1. regional loading
 - 3.2. enabling loading; and
 - 3.3. medical student loading.
4. Amounts payable as CGS advances may be adjusted throughout the grant year based on information provided to the Commonwealth by the University.
5. CGS advances made in respect of the 2017 grant year will be reconciled with CGS funding payable to the University for the 2017 grant year. This reconciliation will occur in the year following the grant year when actual student enrolment data for that grant year is finalised.

PART C: Other conditions and requirements

Closure of courses

13. Before Closing a Course to which this clause applies, the University must consult the Commonwealth and obtain the Commonwealth's approval for the closure.
 - 13.1. In this clause, 'Course' means a Course of Study, or a major within a Course of Study.
 - 13.2. This clause applies to Courses at the undergraduate and postgraduate levels in which Commonwealth supported students have been enrolled in either of the two preceding years.
 - 13.3. This clause does not apply to a Course for which the University has had an intake for less than four consecutive academic years.
 - 13.4. This clause applies to Courses in the following categories:
 - 13.4.1. Courses that prepare students for entry to any occupation that is experiencing a National Skill Shortage;
 - 13.4.2. Courses, the closure of which, would be likely to create a National Skill Shortage in an occupation because the University is a sole or dominant provider of the national skill base for that occupation;
 - 13.4.3. specialised Courses directed at the regional economy, the closure of which is likely, in the Commonwealth's opinion, to create serious detriment to the Skills Base of a Regional Economy; and
 - 13.4.4. Courses for a Nationally Strategic Language.
 - 13.5. In making a decision regarding a Course Closure, the Commonwealth will:
 - 13.5.1. seek to reach a mutually agreeable arrangement with the University regarding the Course Closure;
 - 13.5.2. have regard to student demand for the Course, the financial viability of the Course, the justification provided for a proposed Course Closure by the University and other relevant factors;
 - 13.5.3. assist the University to explore options to retain the Course, including through cooperation with another provider or the movement of Commonwealth supported places to another provider (where applicable); and
 - 13.5.4. not unreasonably withhold approval for a Course Closure so as to place an unreasonable financial burden on the University or place the University in a financially unviable position in regard to the University's overall financial status.
 - 13.6. For the purposes of subclause 13.4.1 and 13.4.3 the skill shortage lists published by the Department of Employment at State, Territory and National levels and the Department of Immigration and Border Protection's Skilled Occupations List must be taken into account in deciding if Closing a Course is likely, in the Commonwealth's opinion, to create serious detriment to the Skills Base of a Regional Economy.

New campuses and campus closures

14. The University must obtain the Commonwealth's prior written approval if the University proposes to enrol Commonwealth supported students in a course of study that is, or is to be undertaken, primarily at an educational facility, other than one of the University campuses listed below in [Table 3](#) or approved educational facilities listed below in [Table 4](#).

Table 3: University campuses

| Name of campus | |
|--------------------------|------------|
| Brisbane (Gardens Point) | Caboolture |
| Kelvin Grove | |

Table 4: Approved educational facility

| Name of educational facility |
|------------------------------|
| N/A |

15. The University must seek the Commonwealth's prior written approval before closing or otherwise disposing of a campus of the University at which students are enrolled in Commonwealth supported places.

Clinical placements and practicums

16. The Commonwealth contribution amounts for a place in a nursing and education funding cluster include amounts in recognition of the costs of nursing clinical placement and teaching practicum (\$1,311 and \$899 per place in the funding cluster respectively in 2017). The University must use these amounts only for those purposes.
17. For a course that is accredited under section 49 of the National Law, the University must ensure that each student enrolled in a course has access to clinical placements in accordance with the approved accreditation standard for the profession.
18. For a course that is accredited by a State or Territory teacher regulatory authority as an initial teacher education course, the University must ensure that each student enrolled in that course has access to teacher practicums in accordance with the approved national accreditation standard.

Applicable law and jurisdiction

19. The laws of the Australian Capital Territory apply to the interpretation of this agreement.
20. The parties agree to submit to the non-exclusive jurisdiction of the courts of the Australian Capital Territory and any courts which have jurisdiction to hear appeals from any of these courts in respect to any dispute under this agreement.

Entire agreement, variation and severance

21. This agreement and the *Higher Education Support Act 2003* record the entire agreement between the parties in relation to its subject matter.
22. Except for action the Commonwealth is expressly authorised or required to take elsewhere in this agreement or HESA, no variation of this agreement is binding unless it is agreed in writing and signed by the parties.
23. If a court or tribunal says any provision of this agreement has no effect or interprets a provision to reduce an obligation or right, this does not invalidate, or restrict the operation of, any other provision.
